Mr Richard Ernster
Helping Hand Group
Australian Head Office
2 Coleman Street
MASCOT NSW 2020

Dear Richard,

The Asthma Foundation of Victoria would like to acknowledge the ongoing support that we have received from the Helping Hand Group.

Helping Hand has assisted us to source enervative and significant pieces of memorabilia for our Sporting Achievers' and Bubble Ball Fundraising Events.

The items that you have provided have created interest and resulted in significant funds being raised at our events. The presentation of the items from Helping Hand is of the highest quality and adds to the spectacle of our events.

You and your team provides a service to all organisations such as ours that can be relied on, is professional and provides a real benefit. It has been a pleasure to work with you and your team.

Yours Sincerely

Robin L Ould
Chief Executive Officer
