

30/11/2010

The Helping Hand Group
5 Coleman Street
Mascot, NSW 2020

Dear Alisa,

Please accept our thanks for your assistance during the Silent and Live Auction events at the Gala Dinner of the 2010 Chemmart® Pharmacy Member Conference.

The auction event managed by The Helping Hand Group raised a phenomenal \$38,011.47 donation for Ovarian Cancer Australia. This is almost three times the amount raised during previous Silent and Live Auction events.

The generosity of the Conference attendees was certainly encouraged thanks to the professionalism of The Helping Hand Group in managing all facets of the event including sourcing of exciting and rare prizes, the exuberance of the auctioneer and the organisation of all payment and delivery details.

I will certainly be recommending that The Helping Hand Group are again engaged to manage the Silent and Live Auction event at the 2011 Chemmart® Pharmacy Member Conference.

Yours Sincerely

Romayne Perera
Marketing Projects Coordinator
