Dear Barry,

Thank you for all your support over the last four years helping us raise money for Foodbank and the WA Ballet. We are very grateful for your time, effort and commitment, sourcing such an extraordinary selection of auction items for our EY sponsored charity Golf Day auction and WA Ballet Gala auction.

The funds raised particularly at our Foodbank Golf Day are used for several initiatives supporting young people right across Australia.

Foodbank is a non-denominational, charitable organization which sources donated and surplus food from the food and grocery industry to distribute to welfare and community agencies which provide food assistance to young people in need.

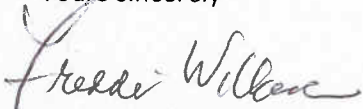

In the last 4 years since we have worked together on both the WA Ballet Gala and the Food Bank Golf Day, the Helping Hand Group through the provision of auction items has helped us raise over \$200,000.

The feedback we have received from both sponsors and guests has been extremely positive. The contribution to each event from the Helping Hand Group has helped make these events memorable and successful. EY will continue to reach out to the Helping Hand Group to support our different charity auctions.

We are extremely grateful to be working with a group of professionals who we can trust and count on to support our community efforts. We really appreciate your support at every event and throughout the last four years. We have enjoyed working with the Helping Hand Group and we have had a lot of fun (and some long hours) along the way.

Thank you for helping us make such a difference to the Perth community!

Yours sincerely
