Dear Richard

Everyone at Reach would like to sincerely thank you and the rest of the Helping Hand Group for your support over the past 10 years, it's hard to believe we started working together in 1999, that's quite a long time ago now.

The funds raised at our Reach ball and our GALA ball every year ensure that we can continue our work with young people right across Australia. Reach believes every young person should have the support and self-belief to fulfill their potential and dare to dream. Every year our inspirational young leaders run 16 different Reach programs in more than 400+ locations to over 57,000 young people across Australia.

In the time we have worked together, the Helping Hand Group through the provision of auction items and services, has helped us raise over \$500,000. The feedback we have received from sponsors and guests has been extremely positive. The contribution to each ball from the Helping Hand Group is very important to us, Reach will continue to utilise the services of the Helping Hand Group, which expand each year in professionalism and scope, to ensure the positive results we have up kept for the past 10 years.

We are extremely lucky to be able to work with a group of professionals who not only benefit us, but most importantly we can trust. We really appreciate your support at every event and throughout the years, we thoroughly enjoy working with the Helping Hand Group and we hope that you too enjoy working with Reach.

Thank you for helping Reach make a difference!

Yours sincerely
