Dear Alisa

RE: GIGGLE BALL 2011

On behalf of Camp Quality and the Committee I would like to thank you and your staff for the absolutely amazing job you did at our recent Giggle Ball.

As this was the first year we had used Helping Hand and in particular the Ballot Bidding System, we were somewhat nervous about the outcome. To say we were ecstatic with the end result would be an understatement.

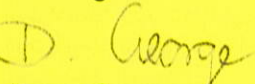

Between the Live and Silent Auction we were able to raise close to \$60,000.00 which is a major increase on what we have raised in previous years.

It was fantastic to have Helping Hand manage all aspects of the payment and delivery for all items and this really allowed us to enjoy the night without having to take care of this arduous task.

Everything was handled by you with ease and professionalism.

We look forward to working with you again next year to make Giggle Ball bigger and better.

Kind regards
