Dear Belinda

The Canberra Hospital Foundation would like to express our sincere gratitude for your recent efforts assisting us to raise a considerable amount at our annual Capital Region Cancer Services Masquerade Ball.

As a foundation charity, our mission is to work with the people of the Australian Capital Territory and surrounding region to increase donations for new and emerging services, equipment and facilities and research that may be out of the reach of the government alone. Funds raised at the ball will go a long way in assisting us to do this.

I must also say that the *Ballot Bidding* system is a great idea. We have received many comments from happy guests on how much they liked the system – it worked really well.

Your generous contribution toward this is invaluable and we appreciate that you have assisted so kindly to help in our cause of improving health and well being in the Capital Region.

We look forward to working with you again on the 2012 ball!

Kind Regards
