Dear Belinda and team

We'd like to thank you for the assistance you gave us at our Annual Ball which is our major fundraiser of the year.

This was our first attempt at using a third party provider for our auction and in the past events we found the auction one of the most stressful parts of the night. As well were not very successful in raising funds this way despite having a professional auctioneer each year.

The Ballot Bidding forms provided were excellent as they gave everyone an opportunity to peruse the auction items from their tables. Your staff were well versed on the items you provided and this helped the guests with their buying decisions. The prizes offered were good quality and displayed well on the night.

The way you worked with the live auctioneer and MCs was also very helpful and made the night run a lot smoother.

Many thanks for the assistance and the boost in funds.

Kind regards
